

A close-up photograph of water being poured into a glass. The water is captured in mid-pour, creating a dynamic splash with many small bubbles and droplets. The background is a dark, deep blue, which makes the white and clear water stand out. The lighting highlights the texture of the water and the rim of the glass.

Do you think to thank?

A Fresh Vision

For Gratitude

Luke 17:11-19

*A Fresh
Vision*

**When we "think
to thank" we
will . . .**

**see our
blessings as
gifts from
God.**

*A Fresh
Vision*

**When we "think
to thank" we
will ...**

**recognize
we do not
deserve
God's
blessings.**

*A Fresh
Vision*

**When we "think
to thank" we
will . . .**

**not confuse
feeling
thankful with
giving
thanks.**

*A Fresh
Vision*

**When we "think
to thank" we
will . . .**

**experience
wholeness.**
